

ITM Signs MOU

ITM Signs MOU for Centre of Excellence in Cyber Security and Blockchain Technology

In a significant move towards advancing technological expertise, Institute of Technology and Management hosted a Memorandum of Understanding (MOU) signing ceremony for establishing a Centre of Excellence in Cyber Security and Blockchain Technology with Whizhack Technologies pvt. Ltd. The ceremony, held at Auditorium, marked a pivotal collaboration aimed at fostering cutting-edge research and development in these critical fields.

The MOU was signed between ITM Group of Institutions and a leading technology firm specializing in cyber security and blockchain Whizhack Technologies pvt. Ltd. This partnership aims to leverage the combined expertise of academia and industry to propel innovation and create a robust ecosystem for training and research. Speaking at the ceremony, Mr. Kallol Sil, CEO of Whizhack technologies pvt. Ltd., expressed his enthusiasm for the collaboration, highlighting its potential to equip students with practical skills and knowledge essential for tackling emerging challenges in cybersecurity and blockchain technology. The Chairman ITM Mr. Nishant Thapliyal also said that this opportunity will bring a certification programme for students to make them more skilled and knowledgeable in sector of cyber security and blockchain technology.

During the ceremony Dr. Rachit Aggarwal, Industry Interface Partner ITM, Dr. R.M. Bhatt, Advisor, Ms. Ruchi Thapliyal, Registrar, Dr. Anju Gairola Thapliyal, Principal along with all the faculties and students were present.
